GENERAL PROGRESS

- Centre is developing day by day with slow but steady pace
- We have generated awareness regarding the Pharmacovigilance programme amongst doctors, pharmacists, nurses and students.
- We have conducted series of meetings with the above said groups from time to time
- We have also published an article regarding the programme in local newspaper.

PERIODIC MIS REPORTS

- Periodic MIS reports are regularly sent to our regional centre.
- One death due to adverse drug reaction was reported to the regional centre by e-mail within 24 hours as per the protocol of the programme

NUMBER OF ADE REPORTS

Period from	Period to	ADE Reports
January 2005	June 2005	023
July 2005	December 2005	031
January 2006	June 2006	042
July 2006	November 2006	036
JANUARY 2005	NOVEMBER 2006	132

SENSITIZATION ABOUT THE PHARMACOVIGILANCE PROGRAMME

- Institutional doctors
- Private consultants
- P.H.C. Doctors
- Pharmacists
- Nursing staff
- Medical students
- M.Pharm. students

EXPENDITURE

- April 2005- March 2006 ---- Rs. 0861/-
- April 2006- November 2006-- Rs. 1030/-
- Total - Rs. 1891/-

CONSTRAINTS FACED

(Reasons for less reports)

- Rural based private medical college with 550 beds capacity
- Hospital formulary based on WHO Essential drugs list
- Reluctant doctors
- Shortage of staff members
- Busy staff members
- No provision of appointing support staff for clerical job

SPECIFIC SUCCESS STORIES

- Introduction of 'Adverse drug reaction reporting' practical in undergraduate curriculum
- UG students' participation in the programme (29 reports collected by them)
- Postgraduate students (M.D. & M.Pharm.) encouraged to undertake their dissertation topics related to Pharmacovigilance

THANK YOU
