

## Acknowledgements

The preparation of this document has been a collective effort, based on the support and contributions of numerous individuals. The initial draft of this document was prepared by the WHO South East Asia Regional Office (SEARO). A revised version was developed by the Health Systems Development (HSD) Cluster at the WHO Country Office for India. The revised version was authored by Dr Sumit Malhotra with technical inputs from Ms. Anagha Khot, National Consultant HSD and Mr Sunil Nandraj, Cluster Focal Point, HSD. The support extended by colleagues from WHO SEARO; Dr. S.J. Habayeb, WHO Representative to India; Dr. Paramita Sudharto, Public Health Administrator and colleagues from WHO Country Office for India is acknowledged. The support provided by the Union Ministry of Health and Family Welfare, Government of India is highly appreciated.
