

<b>Contents</b>			
<b>Section 1 : Introduction and General Concepts in Public Health, Community Medicine &amp; Preventive Medicine</b>			
1	Introduction, Definitions & General Concepts in Public Health & Community Medicine	RajVir Bhalwar, Mandeep Singh, J Jayaram	1
2	History of Public Health	Leo S. Vaz	8
3	Theories of Disease Causation, Natural History of Disease & Levels of Prevention	RajVir Bhalwar	17
4	Measuring the Level of Health in a Population : Epidemiological Measures (Indicators) of Health and Disease in a Community	RajVir Bhalwar	27
5	Classification of Diseases	Vijay K. Bhatti	35
6	Philosophy Behind "Health For All (HFA)", "Primary Health Care (PHC)" & "Millennium Development Goals (MDGs)"	Leo S. Vaz, Sunil Agrawal, RajVir Bhalwar	38
7	Public Health in Developing Countries and Countries with Transitional Economies - History, Development & Policies	Amitava Datta	42
8	Public Health in Developed Countries	Amitava Datta	47
9	State of Health in the World : Disparities and Divides	Sunil Agrawal	51
10	State of Health in India : National Health Profile	Sunil Agrawal	59
<b>Section 2 : Quantitative Sciences in Public Health &amp; Community Medicine</b>			
<b>a) Epidemiology &amp; Research Methodology</b>			
11	Introduction, Definition and Uses of Epidemiology	RajVir Bhalwar	65
12	The Essential "Building Blocks" of Epidemiology and Research Methodology	RajVir Bhalwar	70
13	Developing the Correct Epidemiological (Research) Question	RajVir Bhalwar	74
14	Fundamental Principles of Data Management	RajVir Bhalwar	78
15	Populations and Samples	RajVir Bhalwar	82
16	Measures of Disease Frequency / Health Outcomes	RajVir Bhalwar	87
17	Sources of Information in Epidemiology	RajVir Bhalwar	96
18	Measures of Association & Effect	RajVir Bhalwar	102
19	Errors of Measurement, Confounding and Bias	RajVir Bhalwar	111
20	Questionnaires and Interviews	RajVir Bhalwar	119
21	Architecture of Epidemiological (Research) Designs (Epidemiologic Methods)	RajVir Bhalwar	123
22	Cause and Effect Relationship	RajVir Bhalwar	129
23	Descriptive Studies (Including Ecological Studies) & Epidemiological Distribution According to Person, Place & Time	RajVir Bhalwar	131
24	Case Control Studies	RajVir Bhalwar	141
25	Cross - Sectional Analytic Studies	RajVir Bhalwar	144
26	Cohort Studies	RajVir Bhalwar	147
27	Experimental (Intervention) Studies	RajVir Bhalwar	151
28	Studying the Diagnostic Tests	RajVir Bhalwar	160
29	Epidemiologic and Public Health Basis of Screening for Diseases	RajVir Bhalwar	168
30	Planning, Design and Conduct of Epidemiological Surveys	RajVir Bhalwar	172
31	Epidemiological Basis of Public Health Surveillance for Disease	RajVir Bhalwar	178
32	Investigations of an Epidemic	RajVir Bhalwar	184
33	Writing the Research Findings	RajVir Bhalwar	197
34	Writing the Research Proposal	RajVir Bhalwar	200
35	Critical Appraisal of a Published Article	RajVir Bhalwar	202

36	Ethical Issues in Epidemiology & Medical Research	RajVir Bhalwar	205
37	Qualitative Research : An Overview	Vijay K. Bhatti	209
<b>2b) Statistics</b>			
38	Introduction to Biostatistics	Seema R. Patrikar	218
39	Descriptive Statistics: Displaying the Data	Seema R. Patrikar	219
40	Summarising the Data: Measures of Central Tendency and Variability	Seema R. Patrikar	227
41	Introducing Inferential Statistics : Gaussian Distribution and Central Limit Theorem	Seema R. Patrikar	231
42	Inferential Statistics: Estimation and Hypothesis Testing	Seema R. Patrikar	234
43	Inferences with Single Mean	Seema R. Patrikar	238
44	Inferences with Single Population Proportion	Seema R. Patrikar	240
45	Hypothesis Testing : The Difference between Two Population Means	Seema R. Patrikar	241
46	Hypothesis Testing : The Difference between Two Population Proportions	Seema R. Patrikar	243
47	Chisquare Test	Seema R. Patrikar	245
48	Confidence Interval	Seema R. Patrikar	247
49	Sample Size Determination	Seema R. Patrikar	251
50	Sampling Methods	Seema R. Patrikar	254
51	Simple Correlation and Regression	Seema R. Patrikar	258
52	Advanced Regression Models	Seema R. Patrikar	261
53	Life Tables and Survival Analysis	Seema R. Patrikar	263
54	Standardisation of Rates	RajVir Bhalwar, Seema R. Patrikar	266
55	Advanced Statistical Procedures	RajVir Bhalwar, Seema R. Patrikar	270
56	Which Statistical Procedures to Use Depending upon Exposure and Outcome Variable	Seema R. Patrikar, RajVir Bhalwar	274
57	Introduction to Statistical Software for Analysis of Epidemiological & Medical Research : EPI - 2002	Mrs Seema R. Patrikar, RajVir Bhalwar	284
58	EPITABLE		
<b>Section 3 : Health Policy &amp; Health Care Systems</b>			
<b>3a) Management Process in Health Care</b>			
59	Medical Informatics and Public Health	LS Vaz	309
60	General Concepts in Management Sciences	Anuj Bhatnagar	314
61	Personnel Management & Human Resource Development	Anuj Bhatnagar	322
62	Financial Management	Anuj Bhatnagar	326
63	Logistics Management	Anuj Bhatnagar	333
64	Modern Management Techniques	Anuj Bhatnagar	338
<b>3b) Health Systems and Policies</b>			
65	Planning and Evaluation of Health Services / Programmes	RajVir Bhalwar	343
66	An Introduction to Health Systems	Kunal Chatterjee	347
67	Assessing “Health Status” and “Health Needs”	Amitava Datta	353
68	Assessing the “Health Impact”	Amitava Datta	358
69	Community Diagnosis	Amitava Datta	361
70	Ethics in Public Health, ; Health and Human Rights	Amitava Datta	364
71	General Principles for Developing Management Information Systems in Public Health Practice	Amitava Datta	369
72	Making Public Health Policies	Amitava Datta	372
73	Strategic Planning in Health Care	Amitava Datta	375

74	Bringing about Equality in Health Care	Amitava Datta	379
75	Health Care Quality	Amitava Datta	382
76	Social Marketing	Anuj Bhatnagar	386
77	Public Health Aspects of Disaster Management	Ashok K. Jindal, Puja Dudeja	389
78	Principles & Practice of Hospital Management	Anuj Bhatnagar	399
79	Advanced Diagnostic Technologies in Public Health	Rohit Tewari	411
80	Accreditation of Health Care Facilities	Udai Bhaskar Misra	420
81	Health Care Financing	Sunil Nandraj, N Devadasan, Alaka Singh	427
82	Trade and Public Health	Kumar K M Gopa, Syam Nirmalya	435
<b>3c) Public Health Administration &amp; Community Health Care in India</b>			
83	International Health	Rajesh Kunwar	441
84	Organization of Health Care in India	Leo S. Vaz	457
85	Reports of Health Committees	Sunil Agrawal	467
86	Health Planning Process in India	Sunil Agrawal	471
87	Public Health & Community Medicine Related Policies in India	Sunil Agrawal	478
88	National Rural Health Mission (NRHM)	Sunil Agrawal	490
89	Reproductive and Child Health (RCH) Programme	Puja Dudeja, Ashok K. Jindal	496
90	Revised National Tuberculosis Control Programme (RNTCP)	Puja Dudeja, Ashok K. Jindal	504
91	National Vector Borne Disease Control Programme (NVBDCP)	Puja Dudeja, Ashok K. Jindal	513
92	National Leprosy Eradication Programme	Puja Dudeja, Ashok K. Jindal	524
93	Pilot Project On Prevention and Control Of Human Rabies Under 11th Five Year Plan	Puja Dudeja, Ashok K. Jindal	528
94	Guinea Worm Eradication Programme	Puja Dudeja, Ashok K. Jindal	529
95	Leptospirosis Control Programme	Puja Dudeja, Ashok K. Jindal	529
96	National Aids Control Programme	Puja Dudeja, Ashok K. Jindal	530
97	Polio Immunization Programme	Puja Dudeja, Ashok K. Jindal	536
98	Integrated Disease Surveillance Project (IDSP)	Puja Dudeja, Ashok K. Jindal	538
99	National Mental Health Programme (NMHP)	Puja Dudeja, Ashok K. Jindal	541
100	National Cancer Control Programme	Puja Dudeja, Ashok K. Jindal	542
101	National Programme for Prevention & Control of Diabetes, Cardiovascular Diseases & Stroke	Puja Dudeja, Ashok K. Jindal	544
102	National Iodine Deficiency Diseases Control Programme	Puja Dudeja, Ashok K. Jindal	545
103	National Programme for Prevention & Control of Deafness	Puja Dudeja, Ashok K. Jindal	547
104	National Programme for Control of Blindness	Puja Dudeja, Ashok K. Jindal	548
105	Other Important National Health Programmes	Puja Dudeja, Ashok K. Jindal	550
106	Health Legislations in India	Sunil Agrawal	555
107	Rehabilitation : Policies & Procedures in India	Sunil Agrawal	565
108	Human Manpower Resources in India (Including AYUSH)	Anagha Khot	574
109	Medicines in India : Access & Availability	Dr. Amit Sengupta	591
110	Medical Education in India		
111	Health Care of Disadvantaged Groups	Kunal Chatterjee	601
112	AYUSH	RajVir Bhalwar	604
<b>Section 4 : Social, Behavioral and Communication Sciences</b>			
113	Principles of Sociology in Health Care	S S L Parashar	608
114	Family Health History & Individual Medico - Social History - Taking	RajVir Bhalwar, SSL Parashar	613

115	Health Education	SSL Parashar	619
116	Planning, Implementation and Evaluation of Health Education Programmes	RajVir Bhalwar	624
<b>Section 5 : Environmental Health Sciences</b>			
117	Meteorology	Sandip Mukherji, Kunal Chatterjee	630
118	Public Health Aspects of Adverse Effects of Extreme Hot Environment	RajVir Bhalwar	634
119	Public Health Aspects of Extreme Cold Environment	RajVir Bhalwar	641
120	Health Hazards at Mountains (High Altitude Terrestrial Environment)	RajVir Bhalwar	647
121	Water Supply	Sunil Agrawal	650
122	Excreta Disposal	Rajul K Gupta	666
123	Disposal of Solid Wastes	Kunal Chatterjee	680
124	Management of Biomedical Wastes	Kunal Chatterjee	688
125	Public Health Aspects of Housing and Ventilation	Kunal Chatterjee	696
126	Environmental Pollution : Air, Soil, Noise and Radiological Pollution	Leo S Vaz	701
<b>Section 6 : Nutrition in Public Health</b>			
127	Introduction to Nutrition in Public health	Rajul K Gupta	712
128	The Proximate Principles and Energy	Rajul K Gupta	717
129	Micronutrients : The Vitamins	Rajul K Gupta	725
130	The Micronutrients : Minerals	Rajul K Gupta	734
131	Major Foods and their Nutritive Value	Rajul K Gupta	741
132	Nutritional Requirements of Special Groups: Mothers, Children and the Elderly	Rajul K Gupta	750
133	Nutritional Deficiency Diseases of Public Health Importance	Rajul K Gupta	758
134	Public Health Aspects of Food Hygiene & Sanitary Regulation of Eating Establishments	Rajul K Gupta	771
135	Nutritional Programmes in India	Rajul K Gupta	778
136	Nutritional Assessment and Surveillance of a Community	Rajul K Gupta	783
137	Food Processing, Food Adulteration, Food Additives, Preservatives, Food Toxicants and Food Fortification	Rajul K Gupta	791
138	Nutrition during Special Situations : Disasters, Fairs and Festivals, Community Feeding of Children	Rajul K Gupta	798
139	Nutrition Tables	Rajul K Gupta	804
<b>Section 7 : Family Health</b>			
140	Maternal and Child Health	A S Kushwaha	809
141	Risk Approach in MCH	A S Kushwaha	811
142	Maternal Health Care	AS Kushwaha	814
143	Care of Infants	A S Kushwaha	826
144	Integrated Management of Neonatal and Childhood Illnesses (IMNCI)	A S Kushwaha	835
145	Care of Under Five Children	A S Kushwaha	848
146	School Health Services	A S Kushwaha	853
147	Adolescent Health	A S Kushwaha	856
148	Children's Right to Health	A S Kushwaha	865
149	Growth and Development of Children	A S Kushwaha	869
150	Genetics and Public Health	Amitava Datta	878
151	Preventive Health Care of the Elderly	RajVir Bhalwar	887
152	Demography and Public Health	Dashrath R. Basannar	891
153	Contraceptive Technology	RajVir Bhalwar	895

<b>Section 8 : Entomology in Public Health Practice</b>			
154	Introduction to Entomology	Rina Tilak	903
155	Principles of Vector Control	Rina Tilak	906
156	Housefly	Rina Tilak	927
157	Mosquitoes	Rina Tilak	931
158	Fleas	Rina Tilak	940
159	Human Lice	Rina Tilak	944
160	Sand Flies	Rina Tilak	946
161	Some Annoying Pests	Rina Tilak	948
162	Envenomizing Pests	Rina Tilak	952
163	Ticks and Mites	Rina Tilak	955
164	Rodents	Rina Tilak	960
166	Snakes	Rina Tilak	966
<b>Section 9 : Communicable Diseases</b>			
167	Principles of Infectious Diseases Epidemiology	RajVir Bhalwar	976
168	Immunization	Rajesh Vaidya	982
169	General Prevention and Control Measures	Rajesh Vaidya and VK Bhatti	1001
170	Public Health Laboratory : Microbiological Procedures	Aniruddha Hazra, LS Vaz, Nandita Hazra	1008
171	Malaria	Rajesh Vaidya	1025
172	Lymphatic Filariasis	Rajesh Vaidya	1032
173	Leishmaniasis	Rajesh Vaidya	1036
174	Dengue & Dengue Haemorrhagic Fever	Rajesh Vaidya	1040
175	Chikungunya	Rajesh Vaidya	1044
176	Japanese Encephalitis	Rajesh Vaidya	1046
177	Rickettsial Diseases	Rajesh Vaidya	1049
178	Yellow Fever	Rajesh Vaidya	1054
179	Viral Hepatitis	Rajesh Vaidya	1057
180	Anthrax	Rajesh Vaidya	1066
181	Tetanus	Rajesh Vaidya	1068
182	Plague	Rajesh Vaidya	1071
183	Rabies	Rajesh Vaidya	1075
184	Leptospirosis	Rajesh Vaidya	1080
185	Brucellosis	Rajesh Vaidya	1082
186	Mechanism of Air - borne Infections	Rajesh Vaidya	1085
187	Measles	Rajesh Vaidya	1086
188	Rubella	Rajesh Vaidya	1089
189	Chicken Pox and Herpes Zoster	Rajesh Vaidya	1091
190	Smallpox	Rajesh Vaidya	1094
191	Diphtheria	Rajesh Vaidya	1095
192	Mumps	Rajesh Vaidya	1098
193	Meningococcal Meningitis	Rajesh Vaidya	1101
194	Tuberculosis	Rajesh Vaidya	1104
195	Avian Influenza	Rajesh Vaidya	1113
196	Severe Acute Respiratory Syndrome (SARS)	Rajesh Vaidya	1117
197	Acute Gastroenteritis	Rajesh Kunwar	1119

198	Cholera	Rajesh Kunwar	1125
199	Food Poisoning	Rajesh Kunwar, Rajul Gupta	1129
200	Enteric Group of Fevers	Rajesh Kunwar	1132
201	Shigellosis	Rajesh Kunwar	1135
202	Helminthiasis	Rajesh Kunwar	1137
203	Amoebiasis & Giardiasis	Rajesh Kunwar	1148
204	Sexually Transmitted Infections (STI)	Sunil Agrawal	1151
205	Yaws : The Story of Successful Elimination	Sunil Agrawal	1159
206	Acquired Immuno-Deficiency Syndrome (AIDS)	Sunil Agrawal	1163
207	Leprosy (Hansen's Disease)	Sunil Agrawal	1173
208	Trachoma	Sunil Agrawal	1177
<b>Section 10 : Non Communicable Diseases</b>			
209	General Principles & Practice of Healthy Lifestyle	RajVir Bhalwar	1180
210	Nutrition and the Diseases of Lifestyle	Rajul K Gupta	1193
211	Ischaemic Heart Disease (IHD) Syn: Coronary Heart Disease (CHD); Coronary Artery Disease (CAD)	RajVir Bhalwar	1201
212	Systemic Arterial Hypertension & Stroke	Rajvir Bhalwar	1213
213	Diabetes Mellitus	Rajvir Bhalwar	1217
214	Cancers	RajVir Bhalwar	1221
215	Mental Health and Stress Management	RajVir Bhalwar	1232
	Mental Health; Prevention and Management of Mental Stress	RajVir Bhalwar, VSSR Ryali	1235
216	Unintentional Injuries	R K Khajuria	1239
217	Intentional Injuries (Including Inter-Personal and Domestic Violence)	RajVir Bhalwar	1246
218	Chronic Obstructive Pulmonary Diseases	R K Khajuria	1249
219	Visual Impairment & Blindness	RajVir Bhalwar	1254
220	Hearing Impairment & Deafness	RajVir Bhalwar	1256
221	Dental and Oral Health	Ramen Sinha	1259
222	Rheumatic Heart Disease	Ashok K Verma	1267
<b>Section 11 : Occupational Health</b>			
223	Introduction & General Concepts	L S. Vaz, A K Jindal, Puja Dudeja	1270
224	Health Problems in Important Occupations	Ashok K. Jindal, Puja Dudeja	1271
225	Organ / System Diseases Peculiar to Occupational Settings	Leo S Vaz, Ashok K. Jindal, Puja Dudeja	1274
226	Industrial Accidents	Ashok K. Jindal, Leo S. Vaz, Puja Dudeja	1279
227	Industrial Toxicology	Ashok K. Jindal, Puja Dudeja	1281
228	General Measures of Prevention & Control of Occupational Diseases	Ashok K. Jindal, Puja Dudeja	1286
229	Ergonomics	Leo S Vaz	1288
230	Physical Working Environment	Leo S Vaz, Ashok K. Jindal	1290
231	Social Security and Labour Laws	Ashok K. Jindal, Puja Dudeja	1295
232	Medical Evaluation of Workers	Leo S Vaz	1298
233	National Programme for Control and Treatment of Occupational Diseases	Leo S Vaz, Ashok K. Jindal, Puja Dudeja	1300
