

## ACKNOWLEDGMENTS

This report is based collaborative work between WHO Collaborating Centre at NIMHANS, Bangalore, World Health Organization, India Country Office, New Delhi and Ministry of Health and Family Welfare, Government of India. My sincere thanks to the Office of the WHO Representative to India and Ministry of Health and Family Welfare for commissioning and facilitating this study to develop strategies for reducing Road Traffic Injuries in India. Thanks to all staff in the Office of World Health Organization Representative for India for facilitating this study along with providing financial support. My heartfelt thanks to Dr. D. Nagaraja, Director / Vice - Chancellor, National Institute of Mental Health and Neuro Sciences, for granting permission and extending all cooperation in completing this study.

I would like to express my sincere thanks to Dr. Cherian Varghese, Co-ordinator, Non-Communicable Diseases and Mental Health Cluster, WHO Country Office, India, for facilitating this study, providing valuable inputs at different stages and for valuable comments on earlier draft report.

My sincere thanks to Registrar General of India, Director - National Crime Records Bureau and their respective State departments for providing available information and literature. I am thankful to Mr. Alok Rawat, Secretary, Ministry of Road Transport and Highways, Government of India for all help with statistics and other published literature.

I wish to thank the WHO team of Dr. Etienne Kruge, Dr. Margie Peden and Dr. Kayesem Melecki for review of the earlier version of this report and providing helpful comments. Thanks to Dr. Dinesh Mohan, Coordinator, Transportation Research and Injury Prevention Programme (TRIPP), Indian Institute of Technology, New Delhi for expert observations, critical comments and suggestions. GRSP India Advisor Dr. Andrew Downing provided comments and helped in modifications on the earlier versions and thanks to him for all inputs.

My thanks to Dr. Gayathri S. Pandit, Dr. Ranjith Kumar and Dr. Sahoo for meticulous data searches and classification of literature. Finally, thanks to my colleagues Dr. N. Girish, Mr. Vijendra S. Kargudri and Smt. Beereshwari for all help and support in completing the study and final report. Mr. N. Gopalakrishna, Editor, NIMHANS helped in final editing and thanks for his valuable inputs.
