

## **Acknowledgements**

The investigators team places on record the support received from various quarters in the successful conduct of this project. The enthusiastic participation of resource persons and the participants in the workshop held to elicit inputs from various stakeholders has helped the study to take this shape. The team is highly indebted to the inputs received from Dr Nitya Nand (Ex-Director, CDRI) and Prof. Harkishan Singh (Prof Emeritus, Punjab University, Chandigarh).

The support received from the officers of the Ministry of Health and Family Welfare and the representatives of the World Health organization has been of immense value. The mid-term review of the project led to a comprehensive assessment of the progress made till then. In particular, the study team is grateful to Shri B. P. Sharma, Joint Secretary, Department of Health and Mr. Rajesh Bhushan, Director for their constant encouragement throughout the study. Mr. Sunil Nandraj of the WHO India Office provided the much needed guidance at every stage of the project and his sincere involvement in the project was visible in the interactions the team members had with him throughout the course of the study. The contributions and proactive inputs provided by Mr.Rajendra Mehrotra and Mr.Ujjwal Kumar, National Consultants, WTO Cell, MoHFW, New Delhi, have gone a long way in shaping this report.

The team also places on record the support provided by Dr. Naresh Kumar (Head, RDPD, CSIR HQ, New Delhi) for his valuable inputs at various stages of the study. The financial support provided by the World Health Organization is gratefully acknowledged.
